**VISION FOR SAN PEDRO**

Join us to hear from Councilmember Joe Buscaino about his vision for the future of San Pedro. It is home to the Port of Los Angeles which is the nation's hub of international trade and shipping. This exciting area also boasts the World Cruise Center, the Vincent Thomas Bridge and the historic Angels Gate Lighthouse. With the redevelopment of Ports O' Call Village into the San Pedro Public Market and the advent of Metro's Silver Line directly connecting San Pedro to Downtown this special community in Los Angeles will continue to flourish.

***Special Guest: Councilmember Joe Buscaino, Council District 15, City of Los Angeles***

## HOTEL PROJECT BY BLVD745

CCA members are invited to hear from BLVD Hospitality, developer of the Ace Hotel and Theatre and Soho Warehouse. They are developing a 315-key ground-up hotel in DTLA, an elevated select-service hotel that's geared toward business travelers, creative youth, and tech-forward customers. The proposed hotel is located at the northwest corner of 4th and Spring Streets and will be an 11-story building with 315 micro-rooms. The ground floor includes public meeting rooms, a bar, and cafe for hotel guests.

***Special Guest: Nicolo Rusconi, BLVD745***

## ADAMS & GRAND PROJECT

Adams & Grand is CityView's proposed mixed-use complex at the corner of Adams Boulevard and Grand Avenue by the Expo Line's LATTC/Ortho Institute Station. The project will consist of a seven-story building featuring 296 studio, one- and two-bedroom apartments - including 25 very low income units - above 5,000 square feet of retail and restaurant space. Join us to hear about this new project being designed by Humphreys & Partners Architects.
